

Initial Screen

A wireframe of a mobile application's initial screen. The screen is enclosed in a black rectangular border. At the top, there is a search bar with a magnifying glass icon on the left and a red circle on the right. Below the search bar is a sort dropdown menu labeled 'Sort :' with a downward arrow icon. In the center of the screen is a large square box containing the text 'ListView' and 'Of experiments'. At the bottom, there are two buttons: 'QR CODE' and 'CREATE', both outlined in red.

Publish an Experiment

The screenshot shows a mobile application interface. At the top, there is a search bar with a magnifying glass icon on the left and a circular button on the right. Below the search bar is a 'Sort :' label followed by a dropdown arrow icon. The main content area is a large rectangle with a black border, containing the text 'ListView' and 'Of experiments' centered. At the bottom of the screen, there are two buttons: 'QR CODE' and 'CREATE', both highlighted with red rectangles. A black hand icon is pointing at the 'CREATE' button.
